Please see the question I received from Paul Beck in Rep. Eshoo's office. Please let me know how you think it is best to respond to Paul's inquiry. Not sure what we can say about an approximate timeline, but please let me know. Thanks.

Hi Brent, I just tried to call you but am going to be traveling this afternoon so will be away from my phone for the rest of the weekend. Can you just tell me, does this letter automatically suspend the Army Corps' ongoing jurisdictional determination process and bring it instead under the EPA's purview? If so, do you have any sense of the approximate timeframe for this kind of determination?

Thanks,
Paul
